

Retina Associates opens a new Ophthalmology Clinic in Jacksonville Florida

Retina Associates, P.A. is a clinic located in Jacksonville Florida, focused solely on the treatment of Retinal Diseases & Neuro-Ophthalmology.

Jacksonville, Florida Sep 15, 2022 ([IssueWire.com](https://www.issuewire.com)) - Retina Associates, P.A. has recently opened its 5th Retina Clinic in the Duval Station Office Park, in order to improve the patient experience and reduce wait times. Retina Associates, P.A. has grown steadily over the past 28 years, and the new Retina Clinic will help meet the increasing demand for retina services that have stemmed from population growth throughout Northeast Florida.

Dr. Mansoor Mughal joined Retina Associates, P.A. in 2020. He grew up in England where he received his Master's degree in Neuroscience from the University of Cambridge graduating with Honors. Dr. Mughal and the staff are pleased with the opportunity to serve the Northeast Florida community in a bigger way than ever before. Retina Associates, P.A. now has 5 locations to choose from and offers Next Day Appointments.
