

Secure Your Unproblematic Entry To The US With The US Electronic Visa

Los Angeles, California Sep 14, 2022 ([Issuewire.com](https://www.issuewire.com)) - Foreign citizens would require a US visa before entering the country and it is a mandatory requirement. This visa can be collected from either the US embassy in paper form or it can be done online with these electronic US visa applications. Now citizens of Germany, Norway, and Japan can take the advantage of this opportunity and enter the country by using an electronic US visa.

One of the advantages of using this form is that applicants and travelers can apply for this American electronic visa from anywhere in the world. On top of that, citizens can collect it from their email ids and there is no need to visit the embassy physically. As a launch member of this program, German citizens can now take up this opportunity to get their visa done electronically in a short period where the entire application process does not require more than five minutes.

German citizens can visit <https://www.us-visa-online.org/esta-us-visa-eligibility/german-citizens> to know the thorough details.

Similarly, Norway was also a launch member of this program which will give them a fast entry to America by air, land, or sea. This electronic visa is applicable for visitation purposes like tourism or traveling, business and transit, or medical purposes. With the help of this electronic American visa, Norwegian citizens can visit the country for up to 90 days. Launched in 2009, this online visa for the United States is valid for 2 consecutive years. The citizens of Norway can visit <https://www.us-visa-online.org/esta-us-visa-eligibility/norwegian-citizens> for further details.

This visa application and collection process are also made available for Japan which was also a launch member of this program. Citizens will require a valid travel document or a passport to apply to this program. In addition to that, a valid payment method such as a credit card, a debit card, or PayPal is

acceptable. The visa will be sent to the Japanese applicant through the valid email address they are providing at the time of application. For more information kindly visit: <https://www.us-visa-online.org/esta-us-visa-eligibility/japanese-citizens/>
