

Selanie Sanone, FNP-BC, a Family Nurse Practitioner with Bear Lake Community Health Center - Montpelier Clinic

Get to know Family Nurse Practitioner, Selanie Sanone, who serves patients in Montpelier, Idaho.

New York City, New York Sep 23, 2022 ([Issuewire.com](https://www.issuewire.com)) - Selanie is an ANCC board-certified family nurse practitioner with decades of experience in caring for individuals and families. She works at Bear Lake Community Health Center - Montpelier Clinic in Idaho.

With a love for children, she is a pediatric specialist, having spent greater than 20 years as a pediatric trauma nurse practitioner. She is also specialty credentialed to perform medically assisted suboxone detox for opioid addiction and pain management and specializes in IV therapy and trauma therapy.

Among her other specialties include primary medical care, pap smears, postpartum care, well-child checks, well-baby checks, psychiatric care, and more.

Educated in the United States, Selanie graduated with her Bachelor of Science in Nursing degree and her Doctor of Nursing Practice degree from Westminster College in Salt Lake City.

Over the years, she has had the opportunity to gain experience working in critical care settings and as a Clinical Facility Instructor. She has also had the chance to work with native Alaskan populations as an educator and medical provider.

Continuously advancing her efforts, Selanie is an active member of the Sigma Theta Tau International Honor Society of Nursing. It is the second-largest nursing organization in the world with approximately 135,000 active members.

With many years of experience working in various settings and specialties, she is currently licensed in Idaho and Utah.

A Board-Certified Family Nurse Practitioner (FNP-BC) holds board certification and provides continuing and comprehensive healthcare for individuals and families across all ages, genders, diseases, and body systems. FNP's maintain patient records, perform physical exams, order or perform diagnostic tests, prescribe medications, develop treatment plans, as well as treat acute and chronic illnesses, conditions, and injuries that fall under primary care.

Outside of work, Selanie enjoys skiing every chance she gets and spending time with her 6 dogs, 12 horses, and 11 grandchildren.
