

September Ingredient Specials From Ecuadorian Rainforest

Bulk Ingredients On Sale This Month

Ecuadorian Rainforest

Clifton, New Jersey Sep 6, 2022 ([Issuewire.com](https://www.issuewire.com)) - The Ecuadorian Rainforest is excited to announce the introduction of a variety of unique, high-quality natural ingredients this September. These ingredients are perfect for food formulators and manufacturers who are looking to create new, innovative products and improve their product lines. Contact us today to learn more about our products and how we can help source the best natural ingredients to create the perfect product.

One of the ingredients on sale is ashwagandha powder. *Withania somnifera*, known commonly as ashwagandha or winter cherry, is an evergreen shrub in the Solanaceae family that grows throughout India and parts of Africa. It's used across many industries including food, pharmaceuticals, and cosmetics to name just a few!

The list of Ecuadorian Rainforest ingredients on sale this month includes: andrographis powder, ashwagandha 2% powdered extract, ashwagandha powder, ayahuasca powder, bacopa monnieri powder organic, black seed powder, butcher's broom powder, caraway seed powder, celery seed powder, cha de bugre powder, coleus forskohlii powder, coriander powder, dill seed powder, fenugreek powder organic, garlic powder, guava leaf powder & many more View the entire list on [intothearainforest.com](https://www.intothearainforest.com).

Ecuadorian Rainforest has provided natural ingredients from South America and beyond for over 20 years. Founded by Marlene Siegel in 1997, the company now has over 1,000 fruit, herb, marine, spice, and vegetable ingredients all under one roof. Ecuadorian Rainforest puts its natural ingredients through rigorous quality-control processes to ensure they meet high-quality standards.
