WEALTH

ROB CHIANG

San Francisco, California Sep 19, 2022 ([Issuewire.com](https://www.Issuewire.com)) - *This new best-selling book is filled with practical tips, actionable steps, and proven strategies, the 7 Step Blueprint To Passive Wealth by Rob Chiang is the perfect book for those seeking passive income through real estate.*

When investing in [real estate](#), the most prominent challenge investors and property managers face is the lack of a proven plan. [Rob Chiang](#)'s *7 Step Blueprint to Passive Wealth* recently hit the top of the charts on Amazon as a #1 Best Seller, providing readers with a step-by-step blueprint to creating passive wealth through property management and real estate investing.

If you are ready to learn how to create passive income without all the complicated number crunching and you want to invest, quit your day job, and build a real estate business, The secret to passive wealth shares the simple and repeatable systems to get you there.

This book shares real-life examples of ways to take action, empowering the reader to get over their “first step” fears. The book is unique as the information is presented and laid out just like a real estate and [property management](#) course or program.

When asked about the book's uniqueness, author Rob Chiang says, *"If you're ready to bring your ideas and dreams to fruition, this book will show you how! This book takes you from idea to execution quickly, with actionable steps and real-world examples. Whether you are self-employed, work for a firm, or are a budding investor, these simple formulas and proven systems will increase your passive cash flow. This book takes you through the step-by-step process of finding, funding, and managing properties that allow you to take control of your life and your real estate business!"*

Property management can be intimidating to a novice. Rob uses his 25 years of industry experience to walk readers through the process of being a successful rental property manager, including breaking down the most important aspects and how to avoid “newbie” mistakes while differentiating themselves as successful investors or property managers and setting up a scalable, sustainable, and profitable business.
