

The inventor of Surreal Electro is back with hip hop and alternative Tracks under FunktearsMuSIC

Los Angeles, California Sep 3, 2022 ([Issuewire.com](https://www.issuewire.com)) - Vonsoh is one of the German rappers and singers and the producer of the album by Aka Vonsoh da Phunky 12 finger here at FunkatearsMuSIC.

Fuck the industry... Anti Malorca Ballermann melodies are just drugs because true schoolers are at work here. Cris Colombo, Vonsoh,\$l@dge he is so underground that underground needs a new word.

Yoedas, HigherkeitsverBrighter, the Canadian electro veteran Leon Stevenson, who is the Kraftwerk musician from Canada, or Crf Pat MC2 Sickly Säck from Switzerland who is also on the road under Bunglebrother or late crazy dude like Cris Colombo or the mental Yoga Brain Puzzler. Puzzler is still known under a track where Amewu was still called Halbgott so veterans all before >HipHop Internet had singing Rolando Random yes with ska people had Ulf his first release with fellow producer Kevin Leneer from the Mighty Mighty Bosstones "So Bright" Freeballs was called 2004. Tom Cook competes with Tom Waits with his songs. where a week before undercover a Covid song "The Invisible Enemy" was released. Lutz SteinBrück opens the album according to alternative BremenBerlinerschulenschnauze. I want banana bread immediately!!!!

It's FunkatearsMuSIC's debut album Last year, Vonsoh already scooped the surreal electro classic "Q16" with Funkatears Electro, which only received good reviews.

Now he's on the road again with his allies Musical veterans and Newcomers. Since his stay in Berlin for 17 years, he has only started his new label 10.04.2021 Fair Splitter after 6 years 0711. Now his environment from Switzerland to Canada sings and raps as music unites. Even Vonsoh is still rapping, just check out the album..... A week later there's another new one from 19.8.22 "Funkatears Electro" "Kurkuma"
