

THINKWARE announces new registration dash cam savings

THINKWARE

London, United Kingdom Sep 7, 2022 ([IssueWire.com](https://www.issuewire.com)) - World-leading dash cam manufacturer, THINKWARE, is celebrating the release of the new registration plate with exciting discounts on a number of its popular dash cam models.

THINKWARE's award-winning dash cams help make the roads safer by increasing driver awareness, deterring road rage incidents, and providing vital evidence for insurance claims. Nobody can predict what will happen on the road, but with a THINKWARE dash, cam across the UK will have more peace of mind in this new registration promotion, between 5th September and 3rd October.

THINKWARE representative said: "A THINKWARE dash cam is the perfect safety accessory for any car enthusiast looking to hit the roads in their brand-new car. These discounts are a great opportunity to give the gift of road safety with a model from our sought-after range."

All products are available across the UK, with the discounts being exclusive on [Amazon Stores](#) and Individual Local Stores (Reseller Market).

Please see the discounted range below:

- **X1000**

The X1000 dash cam comes with the highest quality 2K QHD footage via the latest Sony Starvis image sensor. With the new HDR system and Super Night Vision 3.0, this camera provides the very best videos of your journeys no matter the time of day. It also benefits from Advanced Parking Mode, Timelapse Mode, and Energy Saving Mode to help keep your car protected at all times.

Both the hardwired and plug-and-play versions are available in the sale and both come with front and rear cameras, a 3.5" full IPS colour touchscreen, and a 32GB SD Card.

2CH REDUCED FROM £259.00 TO £199.00

- **U1000**

The flagship model U1000 dash cam captures true 4K UHD forward-facing footage. Paired with the award-winning Super Night Vision 2.0, this dashcam will record the highest quality footage day or night.

It is also packed full of advanced features such as built-in GPS, Speed Camera Database, Advanced Parking Mode, Timelapse mode, and Energy Saving Mode to keep you protected longer.

This model comes with either a hardwired cable or a plug-and-play version, as well as a 1CH with 32GB, and 2CH with 64GB SD Card.

1CH REDUCED FROM £299.00 TO £249.00 · 2CH REDUCED FROM £399.00 TO £349.00

- **F790**

The F790 comes with a secure, yet detachable mounting system with a fully matte black finish. This allows for easy mounting and dismounting of the dash cam. The F790 offers the crisp definition that's been a hallmark of THINKWARE dash cams with 1080p Full HD front and rear cameras. The F790 also ensures top-notch video quality for night driving with Super Night Vision 3.0, which combines low-light recording technology and HDR to improve night-time performance in both continuous and parking recording modes.

1CH £189.00 · 2CH £259.00

- **Q1000**

The Q1000 is the next installment in THINKWARE's Q-series equipped with ultra-clear 2K 1440P QHD 30fps or FHD 60fps video quality to capture clear dash cam footage in any road conditions. In addition, the continuous recording mode records footage using real-time images in one-minute segments at 30fps. The dash cam will record and store the file if an incident occurs while driving. Night-time recording is also accounted for with Super Night Vision 3.0, ensuring all videos benefit from improved brightness.

1CH £249.00 · 2CH £349.00

Also, The OBD-II Power Cable is reduced from **£29.99 to £14.99**. OBD-II Power Cable is designed to simplify installation and ensure seamless integration for enabling the built-in Parking Surveillance Mode in your THINKWARE Dash Cam.

A professional mobile Dash Cam installation voucher is also reduced from 1CH **£79.00 to £69.00**, 2CH from **£139.00 to £109.00**.
