

Turkey Visa Is Available For Every Country Ranging From Hong Kong, UAE To The USA

Republic of Turkey Electronic Visa Application System

Istanbul, Turkey Sep 23, 2022 ([Issuewire.com](https://www.issuewire.com)) - Turkey eVisa or online visa services are revolutionizing the traditional idea of traveling and obtaining a visa. This visa can be availed of through the internet as the whole process takes place through the online website. Global citizens from different countries do not need to visit their nearest Turkish Embassy in order to obtain a visa; it can be simply generated through the website. The citizens of Hong Kong must have a valid BNO passport to apply for the visa. Turkey Visa for Hong Kong Citizens allows them to stay up to 90 days for a single stay. However, it is a multiple entry visa which makes it a perfect option to visit the country multiple times during a validity period of 6 months. For more information, Hong Kong Citizens can visit <https://www.turkey-visa-online.org/turkey-visa-for-hong-kong-citizens/>.

Emirati citizens can also enjoy the benefits of a Turkish online visa. To obtain Turkey visas from UAE and Dubai, the citizens do not have to present any paperwork at the Turkish Embassy or Consulate in the UAE. They can simply apply from the online portal by filling up and submitting a simplified online application form for the visa. It takes only a few minutes to fill up the form. Turkey Online Visa assures to provide the visa via email within 24 hours of the application has been submitted. However, it can require a little more time for exceptional cases. The applicants are advised to apply for the visa at least 2-3 days before their departure.
