

Vibhav K. Sekhsaria, MD, an Otolaryngologist with Family ENT, Allergy & Asthma Center

Get to know Otolaryngologist Dr. Vibhav K. Sekhsaria, who serves patients in Maryland.

New York City, New York Sep 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - An experienced otolaryngologist & a sinus surgeon/rhinologist, Dr. Sekhsaria is a Co-Owner and Practicing Physician of the Family ENT, Allergy & Asthma Center with offices in Gaithersburg, Rockville, and Takoma Park, Maryland.

His areas of interest include advanced sinus surgery and septoplasty for nasal obstruction and chronic sinusitis, novel techniques for minimally invasive sinus surgery and in-office balloon sinuplasty, eustachian tube balloon dilation, latera, audiology and hearing aid services, as well as general ENT services including tonsillectomy, adenoidectomy, surgery for thyroid/parathyroid surgery and salivary gland disorders, tracheostomy, and treatment for vocal cord disorders and laryngopharyngeal reflux disease.

Academically, Dr. Sekhsaria completed his Bachelor of Science degree with Magna Cum Laude honors and his medical degree from the George Washington University School of Medicine and Health Sciences as part of their prestigious Integrated BA/MD program. He then performed his residency training in otolaryngology – head and neck surgery at Wayne State University in Detroit, Michigan followed by an academic fellowship in rhinology and anterior skull base surgery under the tutelage of the renowned Dr. Vijay Anand at The Weill Cornell Medical College in New York.

His fellowship at Cornell University was highlighted by training not only in the treatment of advanced skull base tumors resected in conjunction with the premier neurosurgical team headed by Dr. Theodore Schwartz; but also by the adoption of advanced techniques combined with groundbreaking and innovative equipment such as 3D-intraoperative stereotactic surgical navigation, steroid-eluting stent placement, balloon sinuplasty, and the use of biodegradable implants in the treatment of chronic rhinosinusitis.

A trusted member of the medical community, the doctor is board-certified in otolaryngology by the American Board of Otolaryngology-Head and Neck Surgery, which is a non-profit corporation that has set the mission of ensuring professional standards with certificates and memberships and has offered training in the fields of head neck surgery to professionals since 1924.

Throughout his training and career, Dr. Sekhsaria has been dedicated to maintaining the highest standards of care in the field of otolaryngology using evidence-based medicine. He strongly believes in the importance of communication and compassion when treating patients, while bringing new and innovative techniques that can greatly improve surgical outcomes and patient quality of life.

A zealous researcher with authorial credits in numerous esteemed publications, Dr. Sekhsaria is affiliated with Holy Cross Hospital, SurgCenter of Silver Spring, and Adventist HealthCare White Oak Medical Center. He is also an active member of the American Rhinologic Society.

Otolaryngology is a medical specialty that is focused on the ears, nose, and throat. It is also called otolaryngology head and neck surgery because specialists are trained in both medicine and surgery. An otolaryngologist is often called an ear, nose, and throat doctor, or an ENT for short.

Having grown up in the DC metro area (Hail to the Redskins!), Dr. Sekhsaria is ecstatic to be practicing in the community that helped raise him. His wife is completing a doctorate in Clinical Psychology while remaining an active participant in the community. They enjoy a wide array of hobbies that include sports, movies, books, and various outdoor activities.
