

Yuvrajsinh J. Parmar, MD, a Cardiologist with NewYork-Presbyterian Queens Hospital

Get to know Cardiologist Dr. Yuvrajsinh J. Parmar, who serves patients in Flushing, New York.

New York City, New York Sep 14, 2022 ([IssueWire.com](https://www.issuewire.com)) - Dr. Parmar is an attending cardiologist at NewYork-Presbyterian Queens Hospital in Flushing, New York. He specializes in echocardiology, nuclear cardiology, and vascular interpretation.

Treating patients with all forms of cardiovascular conditions, the doctor is also affiliated with Gracie Square Hospital. It is a psychiatric hospital located at 420 East 76th Street on the Upper East Side of Manhattan, New York City.

After graduating with his medical degree from Drexel University College of Medicine, Dr. Parmar went on to complete his residency at Tufts Medical Center and his fellowship at Lenox Hill Hospital in New York City.

Subsequent to his training, he attained board certification in both internal medicine and cardiovascular disease through the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Maintaining exclusive membership access, Dr. Parmar is a member of the American College of Cardiology and the American Federation of Medical Research.

Cardiology is a branch of medicine that deals with the disorders of the heart and circulatory system. Cardiologists assess, diagnose and treat a variety of conditions including coronary artery disease, heart failure, valvular heart disease, arrhythmias, and congenital heart disease.

An expert with over 10 years of experience, Dr. Parmar has published and presented clinical research in the field of cardiology.
