"Helping the littlest victims of Hurricane Ian in a big way"

Ashlee's Toy Closet, Inc. is a 501c(3) nonprofit based in Reno, Nevada, and was founded by then-8-year-old Ashlee Smith after experiencing the loss of her toys in a house fire. Her dad, a firefighter, was on the Angora Fire in Lake Tahoe and sent her a photo it showed a burned home, but Ashlee only noticed the burned toys. Ashlee told her mom she had to help because she knew exactly how the kids felt. This sparks *Ashlee's Toy Closet* and for the past 15 years, she and her organization have collected & donated over 5 million toys worldwide. The organization is dedicated to replacing smiles, security & outlook with a simple toy.

Sponsored by: *StellarMLS, Realtors of Punta Gorda-Port Charlotte-North Point-DeSoto Inc., Royal Palms Coast Realtor Association, Venice Area Board of Realtors, Luminary Hotel, King of Freight, Lig Rentals* plus hundreds of donors that have made the cross country trip possible.
