

## Augusta Precious Metals Zero Fee Gold IRA Awarded "Best Gold IRA Company 2022" By Money Magazine

**L'Alfas del Pi, Alacant Oct 24, 2022 ([Issuewire.com](https://www.issuewire.com))** - Augusta Precious Metals is proud to announce that it has been awarded the Money Magazine designation "Best Overall Gold IRA Company for 2022. This prestigious award is based on several factors, including investment options and security - but most importantly, client experience!

Augusta believes in investing time with those who invest their money wisely by providing them an account they can rely upon no matter what life throws its way; they never need another product or service as long as Augusta is helping protect their client's investments from day one."

[Augusta Gold IRA company](#) wants to help people make the most of their investments and believes that gold is a valuable way to protect hard-earned money. With today's economy, they feel now would be an excellent time for investors, especially those who need some extra security in this uncertain financial climate. The company also has 14 years of experience, which gives them confidence in providing clients with successful strategies to utilize all aspects of precious metals storage services.

Gold is a valuable commodity that has always been seen as an indicator of stability and prosperity. Today, with our economy struggling to get back on its feet after the financial crisis of 2008 hit it hard;

gold has become more critical than ever before in people's eyes because they believe this precious metal can help restore normality once again by providing them peace of mind about their finances being safe from any devastating crashes or panics alike!

Augusta Precious Metals is the most trusted and reliable name in the gold and precious metals industry. The family-owned business has been voted "Best Gold IRA Company in 2022" due to its outstanding service. Augusta offers a wide selection of gold, silver, platinum, and palladium products at the lowest prices in the market. And they never charge any fees for services - so investors can rest assured that they're getting the best value for their money.

Investing in precious metals is not just good for any bank account; it's the smart way to let the money grow and protect it from inflation. Helping people protect their financial future is what Augusta Precious Metals strives to do. They are committed and proud to offer a free [Gold IRA Guide](#), no fees for up to ten years when investing in precious metals, plus free storage! There's never been a better time than now - [contact Augusta Precious Metals](#) today to be part of this incredible journey together.
