

Award Winning Web Design Agency Orange County

Lightray Solutions is one of the best software development companies. It has help and work with wide range of clients and industries. Thus, it is really an award worthy company!

Fullerton, California Oct 6, 2022 ([Issuewire.com](https://www.issuewire.com)) - Lightray Solutions has been named a top software development company by UpCity, a B2B research firm that helps businesses find and connect with the best service providers. The UpCity list of the 100 Best Software Development Companies was created based on a proprietary algorithm to measure real credibility indicators and take the guesswork out of the selection process.

"We are honored to be recognized as one of the best software development companies in Orange County, CA," said Edward Pinela, MBA CEO of Lightray Solutions. "We are proud of our reputation for delivering high-quality software solutions that help businesses grow and improve their bottom line. It is important to us that we provide the best customer service possible and it's a pleasure to be recognized by UpCity as one of the top software development companies in Orange County."

Lightray Solutions is a software development company based in Fullerton, CA. We specialize in the design and development of websites, branding, and online marketing solutions for businesses of all sizes. Our mission is to provide our clients with solutions that are cost-effective and easily adaptable to changing business demands. We pride ourselves on the ability to develop custom solutions based on your needs, while maintaining a focus on web standards and accessibility.

We are a small, but mighty team of designers and developers who love what we do. We take pride in our ability to adapt to changing business needs and provide solutions that are both cost-effective and easily adaptable to new technologies. We work with a wide range of clients and industries, including small businesses, mid-size businesses, and non-profits. We love what we do and are always looking for new challenges. If you have an idea that needs some design love or need a developer to help you realize your vision, please get in touch!
