

Blue Frequency - Heart of Iron

Release Date: 25 November 2022

London, United Kingdom Oct 19, 2022 ([IssueWire.com](https://www.issuewire.com)) - Self-proclaimed 'label of style' Ruff DnB has championed a selection of exciting releases from a rally of notable Drum and Bass artists. The London-based label is back once more with the release of Heart of Iron EP, courtesy of Blue Frequency.

Austrian-hailing Drum and Bass producer Blue Frequency have captured listeners with his charismatic sounds and passion for serving consumers with a selection of dance-inducing musical arrangements.

Having first popped onto the circuit in 2018, the inspired artist has worked tirelessly to sculpt an unbreakable showcase of raw production talent. Blue Frequency is a dynamic and adaptable individual acting as a catalyst for the ever-evolving genre of dance music.

Blue Frequency EP explores the many polarities of the Austrian producers' soundscape. Each track serves a crisp and refreshing insight into the talent possessed by the newcomer- with each production brimming with the euphoric elements of liquid Drum and Bass. Carefully crafted to a high standard, each component of the tracklist ties together seamlessly to forge an unforgettable body of work that flows beautifully throughout.

The full EP will be available to stream from 25th November 2022 on all recognised streaming platforms.
