

Brent Huisman from Austin, to Open new Pediatric Dentist Office in Denton, TX

Dallas, Texas Oct 29, 2022 ([IssueWire.com](https://www.IssueWire.com)) - Brent Huisman is living the American dream. He received his Bachelor's and Master's degrees in Biomedical Engineering and his Doctor of Dental Surgery degree from the #1 nationally-ranked University of Michigan Health Science Center at. He is a proud member of the American Dental Association (ADA), the Dental Association, and the Academy of General Dentistry (AGD). It's easy to see that he takes his passion for dental care and his patients' smiles to heart.

Brent Huisman is fully committed to his patients' smiles, and that means keeping his mind and skills sharp! It is his firm belief that to be the best in the dental industry, you have to take a lifelong approach to learn and education. Each year, he takes many advanced courses to enhance his skills and stay at the top of the dentistry field. This enables him to serve his patients' unique dental care needs quickly and expertly, providing them with a gentle and comfortable experience every time. No matter his patients' concerns—emergency, restorative, or cosmetic ensures their trust is always in the best hands possible.

The exact address has not been determined but Brent is looking for the downtown area of Denton, Texas in the fall of 2022.
