

CleverGet for Mac V8.0.0 Release Brings New Crunchyroll/CW/Pluto Downloader Modules and Fixes Bugs

CleverGet today introduced new Crunchyroll/CW/Pluto Downloader modules in Mac V8.0.0 release. Plus, several bugs were fixed to enhance video download experience.

Shenzhen, Guangdong Oct 9, 2022 ([Issuewire.com](https://www.issuewire.com)) - [CleverGet](https://www.cleverget.com), a leading multimedia download solution provider trusted by millions of worldwide customers, today officially brought 3 new modules in the latest Mac V8.0.0 update – Crunchyroll Downloader, CW Downlaoder, and Pluto Downloader. With these modules, users can easily download up to 1080P videos from crunchyroll.com, cwtv.com, pluto.tv.com, and save them as MP4/MKV files. In terms of download selectivity, audio tracks can be saved natively or selectively, while subtitles can be remuxed into the output video file or saved as independent SRT/SUP files.

"With the latest update to CleverGet, users are able to download videos from more of their favorite sites," said Stone Brooks, the Product Leader of CleverGet. "While streaming is convenient, it is not possible to watch videos over cellular or Wi-Fi all the time. So, we're working on making a program that can download videos from any website. Through our efforts, CleverGet is gradually supporting more and more websites. And now, we can proudly say that it has supported more than 1000 mainstream websites!"

The Latest Update of CleverGet for Mac V8.0.0 Includes:

- Added [Crunchyroll Downloader](#) module to download anime videos in 1080P MP4/MKV files from crunchyroll.com.
- Added [CW Downloader](#) module to download up to 1080P TV series and movies to MP4/MKV/TS from cwtv.com.
- Added [Pluto Downloader](#) module to download 1080P MP4/MKV videos from pluto.tv, with ads removal.
- Added an option to clear browsing history when exiting CleverGet in the “Settings” interface.
- Fixed the bug that videos on HBO Max could not be parsed and downloaded due to the update of the HBO Max website
- Fixed other known issues.
