

## **Dr. Brian Blick Scholarship for Medical Students of America: Accepting Applications Now**

**Elk City, Oklahoma Oct 25, 2022 ([Issuewire.com](https://www.issuewire.com))** - Students studying on the road to becoming future medical doctors can now apply for the [Dr. Brian Blick](#) scholarship for future medical students in America. The scholarship is available for university and college students undertaking medical courses to be doctors in the future. Students in high school with a dream to attend university and study a course in medicine can also apply for scholarships. The scholarship will be awarded to one deserving student based on an essay competition. The most outstanding student must participate in an essay competition of fewer than 1000 words answering the question “Becoming a medical doctor comes with a great deal of responsibility. How would you use your degree to help solve a problem in the world?” The student with the best essay will be awarded a total of \$1000 towards their education fees. Along with the essay, students are advised to provide their full names, email addresses, active phone numbers, name of high school and graduation day, GPA, Personal Bio, and the name of the university enrolled in. The response should be forwarded to [apply@drbrianblickscholarship.com](mailto:apply@drbrianblickscholarship.com).

[Dr. Brian Blick](#) knows that the rising cost of education, especially for medical school puts a huge burden on students studying to become doctors in the future. From first-hand experience, Dr. Blick understands the difficult road ahead of students studying to become medical doctors, especially for those who come from humble backgrounds. Many students are left out for a lack of funds to pay for their higher education. Because of this, he would like to reward the next generation of talented doctors with a scholarship fund to be applied toward their education and tuition fee. Apart from helping a student become a future leader in the medical industry, he also has high hopes that his scholarship will raise awareness of the many struggles that students go through in their many years of study to become doctors. He further hopes that the scholarship will also open more opportunities for medical students to find the help they need.

[Dr. Brian Blick](#) is a board-certified anesthesiologist and pain physician based in Elk City, Oklahoma. For many years, Dr. Blick has been helping people manage pain and reach their pain management goals. He is also the founder of Western Oklahoma Pain Specialists LLC and Chief of Anesthesia at Great Plains Regional Medical Center. With so many years of experience as a doctor, his heart desires to give back to the future generation of medical practitioners by rewarding the most deserving student with a scholarship fund. All students are advised to take advantage of this opportunity to apply for the scholarship for the sake of earning money to be used towards their higher education. To do so, eligible students should visit the official [Dr. Brian Blick](#) scholarship website to view details on how to apply and enter the essay contest from which a winner will be chosen.
