

Dylan Sidoo Scholarship for Tech Entrepreneurs: Helping Fund the Our Future Innovators

Vancouver, British Columbia Oct 24, 2022 ([Issuewire.com](https://www.issuewire.com)) - Students living in the United States studying on the road to becoming Tech entrepreneurs can now apply for the [Dylan Sidoo](#) scholarship for tech entrepreneurs. The scholarship is available for University and college students studying on the road to becoming tech entrepreneurs and working in the tech industry. The scholarship is also available for high school students who will attend university to study technology. A short essay is required and the

winner of the scholarship will be chosen based on the content of the essay. The essay competition demands that students write a creative essay of under 1000 words answering the question “describe an issue or problem that exists in the world, and how you could use a new technology to improve upon it.” One lucky student will be awarded a total of \$1000 to cater for tuition fees. Those interested in the scholarship should submit their applications no later than January 15, 2023. Students should email their responses to apply@dylansidooscholarship.com. Along with the response, students should also provide their full names, active phone numbers, email addresses, high school names, graduation dates, the university currently enrolled in, GPA, and personal bios.

The cost of education is raising continually and this is putting so much pressure on students who are studying on the road to becoming tech entrepreneurs in the future. Since not all students can't afford money for their education, many have been forced to work part-time to raise money while others give up on their dreams. [Dylan Sidoo](#) knows how difficult it can be in terms of finances and the many years that students have to study to become tech experts. For this reason, Mr. Sidoo would like to reward the most deserving student with a scholarship fund to cater to their education. Through his scholarship, he is hoping that he will nurture a star student to become the best tech entrepreneur. He is also hoping that his scholarship will raise awareness of the struggles that students studying on the road to becoming future entrepreneurs go through. He further hopes that his scholarship will also open more opportunities for students in the tech industry to find the help they need.

[Dylan Sidoo](#) is the man behind the Dylan Sidoo scholarship for tech entrepreneurs in the United States. He has been in the tech industry for over 10 years. He has first-hand experience with how education plays a key role in success. He attended the University of South California and graduated cum, Laude. While studying, he was also a member of the rugby team. He founded Disappears.com Inc and Stryker Entertainment, LLC. Mr. Sidoo has experienced many years of success in his career. For that reason, he would like to give back to the future generation of tech experts by awarding one deserving student with a scholarship fund of \$1000 to ease their financial burden. All qualified students are encouraged to apply for the scholarship as a way of earning money for their education. To apply, students should visit Mr. Sidoo's official scholarship website for procedures and processes on how to apply for the scholarship.
