Get to know Acupuncturist Dr. Eduardo Theodore Aversano, who serves patients throughout the State of Florida.

New York City, New York Oct 5, 2022 ([IssueWire.com](https://www.issuewire.com)) - Dr. Aversano is a licensed acupuncturist with a warm personality and a deep understanding of acupuncture and Traditional Chinese Medicine. His 36 years of experience combined with his gentle approach make him one of the most sought-after acupuncturists in South Florida and The Hamptons. His private practice currently has locations in Boca Raton and Palm Beach inside The Ambassador Hotel.

Back in the early days of his academic career, he attended Japanese Acupuncture Studies in Tokyo in 1977, before graduating from the New England School of Acupuncture in 1982. In the next two years, he lived in Beijing, China, where he completed an apprenticeship in acupuncture with Guo Xiao-Zong and Cheng Xinnong, as well as an apprenticeship in pulse diagnosis and herbal prescriptions with Dr. An.

After working in private practice in Belgium and the Netherlands from 1984 to 1988, Dr. Aversano graduated with a degree in Chinese Herbal Medicine from the Asian Institute of Oriental Studies. He practiced Chinese medicine in Scotland and India for the next few years and served as an Instructor at the Anglo-Dutch College of Acupuncture in 1992. He then returned to the United States and established a private practice in Long Island, New York, where he worked for the next 25 years, before relocating to Florida in 2018.

Throughout his career, he has taught and lectured, and continues to instruct at various schools and symposiums throughout the world, including at the Anglo-Dutch College of Acupuncture, European University for Traditional Chinese Medicine, and the Academy of Traditional Chinese Medicine.

Acupuncture is a form of holistic medicine and a key component of Traditional Chinese Medicine. It is a technique in which thin needles are inserted into the body and in some cases, electro-stimulation is applied to gently stimulate particular regions of the body. Acupuncture is also used to maintain general health and well-being. Acupuncturists treat a variety of health concerns including women's health & fertility, autoimmune disorders, digestive disorders, joint & muscle pain, insomnia, and emotional concerns such as stress management, anxiety & depression.
