

Enter Countries like Canada and India in a Hassle-free Way with Indian and Canadian e-Visa

New Delhi, Delhi Oct 17, 2022 ([Issuewire.com](https://www.issuewire.com)) - Entering foreign countries would require a visa if you are not a citizen. India and Canada are two countries that are now offering e-visa to make the process of entering these countries easier and more convenient. A visa can be collected by either visiting the Embassy of the respective countries or getting it online.

India is now giving the electronic visa to enter the country and both the citizens of Chile and Luxembourg are now eligible for this process. As Chile was the launch member of this Indian e-Visa program, Chilean Citizens can take advantage of this process which makes the formality of visiting the country simpler. The application process is uncomplicated and it can be done in under 10 minutes. For further details, Chilean Citizens who will be applying for the Indian e-Visa can visit <https://www.india-visa-online.org/indian-e-visa-eligibility/chile-citizens/>.

Similarly, Luxembourg was also a launch member of this program which gives the Luxembourg Citizens the same benefits as the Indian e-visa program. With this, they will be able to enter India faster which is valid in airports and seaports of the country. The validity of the e-Visa will be of 5 years which will also

allow Luxembourg citizens to enter the country multiple times. They can also stay in India for a continuous period of 180 days. For further details, visit <https://www.india-visa-online.org/indian-e-visa-eligibility/luxembourg-citizens/>.

Canada has also launched a similar program called eTA Canada that is now allowing both the citizens of Denmark and Spain. Spanish citizens are allowed to apply for three kinds of eTA Canada visas, which are tourist, business, and transit visits. Spanish citizens must be over the age of 18 years to be able to apply.
