For one to be a successful entrepreneur, education and knowledge are key. Although many dares to dream of becoming successful entrepreneurs, many are forced to give up on their dreams for lack of funds. Higher education has become very expensive for a majority of students to afford. While taking a course in business, the maximum concentration is required which is not always the case with students who work part-time or full-time to earn money for their education. No one understands the struggles that students studying on the road to becoming future entrepreneurs go through more than [Francis Santa](#). Due to that reason, he is offering his scholarship fund to the most deserving business student living and attending a university or college in the US. He would also like to raise awareness of the struggles that students go through while studying to become entrepreneurs. With his scholarship offer, he is hoping to nature a one-star student to become successful in the future. He is also hoping that his scholarship will further open many opportunities for more business students to get the help they need.

[Francis Santa](#), the person behind the scholarship is the founder of Business Image Lift. This is a company that focused on helping individuals and companies restore their reputations. He formed the company together with his daughter in the year 2016. This is after he had gone through negative content about him online. He is one person who understands what it's like to worry about your online reputation. His first-hand experience with negative online content is the same reason why he is very passionate about what he does. He had gone to the extent of leaving some of the negative content about him online for people to know that he understands what they are going through. Because of his success, he would now wish to give back to the community by rewarding a star student with a scholarship. All eligible students are being advised to head to the [Francis Santa](#) official scholarship website to make the application.
