Gurgaon, Haryana Oct 18, 2022 (Issuewire.com) - This seems surreal but it is true with the power of Affiliate Marketing! TalkCharge a Mobile App & Website loved and used by over 2 Million+ Users provides CASHBACK on all your Online Shopping. Infact you will get paid for not just shopping but any transactions that you do online be it Travel Booking, Grocery Shopping, Pharmacy Order, [Movie Tickets Booking](#) even Home Services booked online like Salon, Spa, Home Cleaning, AC Fix and so on.

Yes it does feel like – How is that possible? or What does the company has in it? The questions you might have does all make sense, but lets understand how this is possible with Affiliate Marketing.

WHAT IS AFFILIATE MARKETING?

Affiliate Marketing if explained in the easiest way is a Promotional activity used by almost all the brands & merchants present online like Swiggy, Myntra, Flipkart, MakeMyTrip and so on to promote themselves in the online market, and gain more and more new users. This is also the way these brands use to promote about their ongoing sales and new offers.

Coming to HOW TALKCHARGE IS GIVING CASHBACK?

Cashback from TalkCharge is part of the Commission received from the merchants or brands like Amazon, BigBasket, Zomato, BookMyShow, Medlife and so on as the cost to do their marketing on Cashback website or portals like [TALKCHARGE](#). This format of marketing is a part of Digital Marketing and a most preferred way nowadays.

Let's understand WHY TALKCHARGE IS SHARING ITS COMMISSION?

A fair question, why a company would share its margins with the customers and not benefit from the complete amount! The answer is very simple, it's the companies strategy to gain more users and retain their existing customers. On top of it, by this strategy they also lure their customers to use this cashback on real time basis for the other services provided by them like Recharge, Bill Payments and so on.

Well for us it's a Win-Win situation for the Merchant, TalkCharge & the Customers. Do give this app a try and see the fun of online shopping and savings.
