

Groove With Some R&B Romance With JR's Latest Musical Project 'You Should Know'

Hailing from St. Louis, Missouri; JR is ready to spread his musical aura with his latest single 'You Should Know'. Soon he is going to drop his forthcoming album.

St. Louis, Missouri Oct 7, 2022 (Issuewire.com) - Versatile and dynamic music artist from St. Louis, Missouri, [JR](#) is all set to steal the hearts of listeners with his upcoming single '[You Should Know](#)'. The track is one of the greatest R&B tracks ever made that is comprised of a beautiful musical arrangement as well as the meandering vocals of the artist. Telling the story of for longing a woman while knowing her

is quite romantic and offers listeners a warm musical piece to enjoy. Finely calibrated, the groovy soundscapes make sure every listener can join the steps while embracing the single at reunions. The artist is confident that the track will become very close to the listeners just like it is to him. This special project is currently available for pre-sale and pre-add on Spotify and Apple Music.

Gaining on full throttle, **JR** is all set to come up with his brand-new album very soon and his fans are eagerly waiting for it. The artist made his place in the Voyage Family by getting in featured in the VoyageSTL Magazine. With his musical aura and humbled personality, the artist came in the touch with some of the major artists from the industry such as Kash Doll, Zaytoven, Neyo and the list goes on. The latest track '**You Should Know**' offers a nostalgic dose of the time while portraying the musical skills of the artist which he has been honing since he was 4 years old.
