

## Home Instead Vancouver Awarded Home Care Accreditation Status

**Vancouver, British Columbia Oct 20, 2022 ([Issuewire.com](https://www.issuewire.com))** - Home Instead Vancouver, a leading home care company for seniors, has successfully achieved Accreditation with Accreditation Canada. Achieving this status demonstrates Home Instead's commitment to offering the highest quality home care service to its clients in Vancouver.

Home Instead Vancouver Owner, Kim Lepp, says: *“Accreditation reinforces our commitment to patient safety and is aligned with our goal of becoming Vancouver’s #1 Home Care company. We’ll continue to focus and invest in the highest quality of home care service to enhance the aging experience of Mom & Dad.”*

Accreditation is an intensive process in which Home Instead Vancouver’s processes, policies, and procedures are rigorously examined by home care experts against a set of high industry standards.

*“This accreditation showcases how our company is truly embracing home care excellence,”* says Kim Lepp.

To achieve accreditation, Home Instead Vancouver met or exceeded the primer standards for Home Care companies - from governance and leadership to direct home care service and patient outcomes.

Achieving accreditation provides Home Instead Vancouver clients, their families, and loved ones with the assurance that they are receiving the best home care possible, whether they require palliative care, Alzheimer’s care, personal care, or other needs.

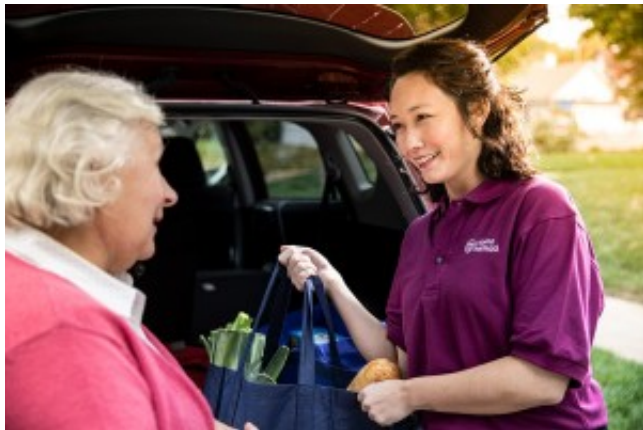

Home Instead Vancouver Care Pros knows they are working for a company that is committed to providing an exceptional working environment, where caregiving performance is recognized and rewarded.

### ***About Home Instead Vancouver***

Home Instead Vancouver believes every family deserves personalised in-home senior care with a compassionate touch. As a locally owned business with 25+ years of professional experience, the caregiving team offers friendly, responsive home care service right in your neighborhood. The professional Care Pros immerse themselves to assist with daily living activities and build lasting relationships with clients and their families.

### ***About Accreditation Canada***

Accreditation Canada is a not-for-profit independent organization that provides health service organisations with a rigorous and comprehensive accreditation process. They foster ongoing quality improvement based on evidence-based standards and external peer review. Accredited by the International Society for Quality in Health Care, Accreditation Canada has helped organisations strive for excellence for more than 50 years.
