Get to know Registered Nurse Jeanetta Taylor, who serves patients in Opelousas, Louisiana.

New York City, New York Oct 21, 2022 ([IssueWire.com](https://www.issuewire.com)) - Jeanetta is a registered nurse with Opelousas General Health System-Main Campus in Opelousas, Louisiana.

Her areas of specialization include critical care nursing, intensive care medicine, step-down, medical/surgical nursing, and home health care.

Earning her nursing degree from Northwestern University, Jeanetta remains a professional member of the Sigma Theta Tau International Honor Society of Nursing.

A Registered Nurse (RN) is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province, or similar licensing body to obtain a nursing license. RNs fulfill a variety of job duties. In addition to their primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include leadership, research, performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, and assisting with patient rehabilitation and follow-up.
