

Leawo's Hot Deals for Halloween 2022 – 50% OFF CleverGet All-in-One 8 and DVD Creator Freebie

Leawo just launched their 2022 Halloween deals, including up to 70% discounts on their hot-selling singles and products, DVD Creator freebie, and more.

Shenzhen, Guangdong Oct 14, 2022 (Issuewire.com) - October isn't just about scary monsters, haunted houses, and candy everywhere. It's also about sweet deals and discounts for trick-or-treaters of all ages. And, it's always a treat for frugal families as long as they can save money - especially since the main winter break is coming up. Leawo Software, a leading developer and supplier specializing in multimedia solutions and data management software, just unveiled their [2022 Halloween Free Giveaway & 70% OFF Specials](#), with more deals, added throughout the month to celebrate the upcoming 2022 Halloween. As its name suggests, until Nov. 10, 2022, shoppers can enjoy up to 70% off discounts on their hot-selling singles and bundles, DVD Creator for free, and 30% off sitewide coupons.

When it comes to Halloween, there's nothing like a classic horror movie that throws people into a spooky mood. Turn off the lights, and watch a heart-pounding movie, the brain will start checking all the shadows for threats, and the body will jump off the couch at every loud sound. However, if people encounter buffering or pop-up ads while watching a movie, it will be very disappointing. That's why Leawo Software is especially offering a 50% discount on its new [CleverGet](#).

As one of the best video downloaders, CleverGet currently has 16 modules, including [Video Downloader](#), Amazon Downloader, Netflix Downloader, HBO Downloader, Hulu Downloader, Disney+ Downloader, [OnlyFans Downloader](#), and more. Among them, the Video Downloader module can download videos from more than 1000 free video websites and social networking websites, including YouTube, TikTok, Twitter, Facebook, etc., while other modules can download videos from corresponding subscription-based platforms.

For a limited time, the 16-in-1 CleverGet and its 9 modules are available with 50% off discounts. That is, people can save up to \$199.95 at this event to download videos on any website. It is recommended that if people only download videos from sites like YouTube or Twitter, ordering CleverGet Video Downloader is enough. If there are other needs, it is recommended to purchase the CleverGet All-in-One 8, which means that each module will be sold for as low as \$12.50.

In addition, for those who want to burn downloaded videos to discs for physical collections, Leawo Software also offers their [DVD Creator](#) for free for every participant. With the help of this software, people can easily convert and burn downloaded Halloween videos, pictures, or ISO image files to DVD-5 or DVD-9, folder, or ISO image file. Also, the built-in video editor allows users to customize their videos. To get Leawo DVD Creator for free and save \$29.95 on it, people can head to Leawo's Halloween promo page and enter their information. Then, a free registration code will be sent immediately.
