

LenaGrace Jewelry Designs New Collection

The Tribe of Judah Collection

Raleigh, North Carolina Oct 24, 2022 ([Issuewire.com](https://www.issuewire.com)) - Lena Grace Designs (LGD), a US-based jewelry company has recently launched a collection of Biblical-inspired pieces that are made in the USA.

LenaGrace Designs is pleased to present its latest collection: Tribe of Judah. An elegant and sophisticated collection, where history and religion meet to bring simplicity to a story. The Dog Tag necklace is the most iconic piece of jewelry from the past and LGD was inspired to give this classic pendant a modern twist, celebrating the history and tradition that has been a part of Durham for years. The collection reflects my personal growth and evolution as an artist, businesswoman, and designer

My grandmothers, Lena, and Grace were always my biggest inspirations. I wanted to create jewelry that they inspire. I always say it takes a village to raise a child, and I feel the same about my designs. I always try to be as honest as possible when using designs to spread awareness about culture, history, and beliefs. The future is bright, and I want to share my stories with the world!
