

'Local Filmmaker Accepts Proclamation'

Valeria Feliciano, Helps bring appreciation week for the arts, music, film and entertainment industry to city of Port St. Lucie this past October 10, 2022.

Port Saint Lucie, Florida Nov 3, 2022 ([Issuewire.com](https://www.issuewire.com)) - [Multi-music video award nominee](#), model and entrepreneur; Valeria Feliciano helps bring entertainment appreciation week to the City of Port St. Lucie. This comes after her initial proposal to the city in April of 2022.

St. Lucie County is home to strong, growing art, and entertainment community that brings creativity, culture, and passion for the arts and entertainment industry. Promoting local events including the annual celebration of the Puerto Rican Day parade, and international film festival. Which brings people from all over the state to celebrate together.

Originally from San Juan, Puerto Rico. Valeria Feliciano brings her love for the arts and entertainment to the city of Port St. Lucie. She focuses on sharing the importance of developing an appreciation for the arts, film, music and entertainment community. Whereas the study, performance, and appreciation are vital to the social, cultural, historical, and educational development of communities. Therefore, represents the impact that the arts and entertainment have made not only locally, but around the world.
