Bengaluru, Karnataka Oct 19, 2022 ([IssueWire.com](https://www.issuewire.com)) - Make My Circle is a social hiring platform that allows you to build your team with the right people at the right time for your company or project. We know that working with the right people is critical to success, and our mission is to make it as easy as possible for you to find them.

With Make My Circle, there are no longer any hidden names or numbers. There are no longer any

restrictions on contacts or applicants. We make it simple for you to find the right people for your team. Make My Circle is not just any social media platform, but the one that lets you convert your audience to job applicants with a single click.

Make My Circle helps businesses find the right candidates and keep track of their performance. We're using artificial intelligence (AI) to automatically broadcast jobs to social and professional circles using intelligent TA frameworks optimized for recruiter workflow.
