

MASTERM (MXMX), the Crypto-music-nft project token has been listed on MelegaSwap

MelegaSwap has announced the partnership and default listing of one of the most promising projects on the Crypto scene, the MASTERM (MXMX) token that combines Crypto, Music and NFT.

Chicago, Illinois Oct 10, 2022 ([Issuewire.com](https://www.issuewire.com)) - A great achievement both for [MelegaSwap](#), the new AMM DEX just launched on the market with a **total black look**, and for [MASTERM \(MXMX\)](#), the token representing one of the most interesting projects that have just appeared on the crypto scene.

A viral video that is going crazy on [youtube](#) presented **melegaswap.finance** the new amm dex that comes with the claim **BLACK. DEX. FREE.** Three short words for the main characteristics that distinguish it from competing offers.

- *A total black look*
- *A decentralized exchange*
- *A free exchange, open to all.*

The strength of MelegaSwap is its flagship token **MELEGA (MARCO)** registered on [Coingecko](#) and swappable not only on MelegaSwap but also on PancakeSwap.

According to the bio, **MelegaSwap** intends to carefully select the crypto projects to which it intends to offer the default listing in order to have an attractive offer of potential crypto gems.

From this perspective, **the partnership created with MASTERM (MXMX), the representative token of a project that combines 3 important emotional markets**, is of absolute importance.

❓ The Crypto market with its own MXMX FLAGSHIP token

❓ The music market with pop-dance productions that involve the participation of multi-platinum stars such as **Sean Kingston, Fatman Scoop, Alexandra Stan, 24hrs**, etc., and worldwide distribution by **Sony Music**

❓ The NFT art market with a couple of collections respectively in 2D and 3D that are enjoying considerable acclaim.

The [melega.finance](#) partnership (this is the address of MelegaSwap's DAPP) - MasterM (MXMX) takes the form of

❓ **3 YELD FARMS** for which any user can act as a liquidity provider to **\$MXMX** in **melega.finance** by creating liquidity pools with BNB / USDT / BUSD and staking their LP tokens in the appropriate farms, obtaining a daily profit in **\$MARCO** (the flagship token of MelegaSwap) **with APRs ranging from 350 to over 500%.**

❓ **2 STAKING POOLS** for which a user can stake their \$ MARCO to get \$ MXMX or vice versa with APR also on this occasion extremely interesting and variable from 300 to 400%.

A partnership that aims to join forces also with many Glveaways created in collaboration as can be seen from the respective Telegram and Twitter channels.
