

Minh Q. Mai, MD, an Internist with Prime Physicians, PA

Get to know Internist Dr. Minh Q. Mai, who serves patients in Spring, Texas.

New York City, New York Oct 12, 2022 ([Issuewire.com](https://www.issuewire.com)) - Led by board-certified internist Dr. Mai, the team at Prime Physicians, PA is dedicated to caring for and improving their patients' well-being. They provide comprehensive internal medicine services to individuals living in and around Houston, Texas.

Prime Physicians, PA offers a variety of care for acute illnesses, allergies, and more. The team of

professionals offers annual physical exams and chronic disease management, as well as diagnostic testing in-office. They can also perform minor surgeries such as stitches and suture removal.

For patients who can't make it into the office, Prime Physicians, PA offers an alternative option: telemedicine. The team can diagnose and treat patients through video conferencing just as they would in person.

Academically, Dr. Mai graduated from Ross University School of Medicine in Bridgetown, Barbados, in 2005. Upon graduating, he completed his internship and residency in internal medicine at Ochsner Medical Center in Jefferson, Louisiana, in 2009. He then practiced inpatient hospital medicine at several hospitals in the state, including Ochsner Medical Center, CHRISTUS St. Frances Cabrini Hospital in Alexandria, Louisiana, and St. Francis Medical Center in Monroe, Louisiana.

Preventing disease and improving health, the doctor is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

With over 15 years of experience, Dr. Mai is affiliated with HCA Houston Healthcare Northwest in Texas. He is also an active member of the Society of Hospital Medicine and holds medical licenses to practice medicine in Texas, Louisiana, and Mississippi.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

On a more personal note, Dr. Mai speaks English, Spanish, and Vietnamese.
