

Nemitarsim the new song of Mehrdad Asemani

Nemitarsim

Orange, California Nov 5, 2022 ([Issuewire.com](https://www.issuewire.com)) - Mehrdad Asemani is an Iranian singer and

songwriter. In 1992, he decided to leave Iran in 1992 for Los Angeles. While in Los Angeles, he released his first album, "Voice of Sun", which became hit famous in the Persian community.

This artist has shown his talent by presenting different songs. He has attracted a lot of attention with his latest song called "We are not afraid". This song is a protest piece for the realization of human rights and created a buzz among all the listeners with its brilliant presentation.

In this song, by referring to the name of Mahsa Amini, who has become a symbol of the freedom of Iran and the world, this artist has shown his all-around support for the freedom movement of the Iranian people. We are not afraid that the music will stay in our minds for a long time. Inspired by Iranian folk music and combining it with instruments such as the piano, this artist has enhanced the true nature of this style. He has presented many Albums such as "Magic Of Love " and " Snap Shot " and " Taste Of Dream " during his artistic activities.

All his Albums are available on YouTube, Spotify, and iTunes.
