Cottonwood, Arizona Nov 1, 2022 ([IssueWire.com](https://www.issuewire.com)) - Dr. Richard Ruhling writes on current events and Bible prophecy. He predicted war with Iraq before 9-11, based on "the vision at the time of the end" in Daniel 8. His recent book, *MegaQuake 2023*, offers a view of that vision and how current conflicts may be resolved in 2023. It has ranked in the Top 100 books for all three of Kindle's categories.

"It was We who revealed the Torah (to Moses); therein was guidance and light. By its standard have been judged the Jews, by the Prophet who bowed (as in Islam) to Allah's will..." (Quran, 5:44)

Although the Quran does not mention Ishmael by name in the account of Abraham's sacrifice of his only son, Islam honors Ishmael as the son spared by ram caught in a bush (George Bush?) Muslims say that sacrificing the ram spared Ishmael and they celebrate it yearly as Al-Adha.

The Bible says Isaac was spared, and so much conflict in the Middle East is over religion, but the events unfolding should show Muslims that the Bible is the true holy book because the defeat of Iraq and Iran is shown by a stomped ram with broken horns of Medes and Persians that are now called Iraq and Iran.

Dr. Richard Ruhling, author of current events and Bible prophecy says Middle East events are proving the Bible is the true holy book.

Muslims believe the US is the great Satan with Hollywood exporting so many negative lifestyles to the world, but Islam wrongly identifies those things with Judaism and Christianity, and the goat's breaking the horn of Iran will be the beginning of a time of judgment coming to the US and the world. So how we get there, asks Ruhling.

"The day of the Lord comes" and [Muslim] nations will be gathered against Jerusalem. The houses will be rifled, the women raped, and half the city will go into captivity, Zechariah 14.

Muslims will celebrate their mosque that has an inscription, "Allah has no Son." Suddenly "the Lord shall roar from Jerusalem...the heavens and earth shall shake," Joel 3.

That earthquake initiates "the day of the Lord" when God will shake the earth mightily and it will punish the US like Egypt for throwing Israel's babies in the river--63 million babies thrown in the trash begs judgment.

The Exodus was a jubilee event to free Israel. Later, jubilee came on the 50th year and 50 years from Roe v Wade in 2023.

Muslims are planning on it. Turkish President Erdogan appealed for 57 Muslim nations to siege Israel, but it will mean the stomping of a militant Muslim ram and the breaking of the ram's horn of Persia (Iran).

This is a warning to Muslim nations to not be involved in an attack on Israel, but a bad beating may be the only way to see the Bible as the true holy book, says Ruhling.
