

Patrick Mehran Jadali, DPM, a Podiatrist with Sol Foot & Ankle Centers

Get to know Podiatrist Dr. Patrick Mehran Jadali, who serves patients in Long Beach, California.

New York City, New York Oct 3, 2022 ([Issuewire.com](https://www.issuewire.com)) - Dr. Jadali is a foot and ankle specialist who strives to provide compassionate and empathic care to patients while relying on the most modern techniques and evidence-based medicine to provide the best clinical and surgical outcomes.

Working at Sol Foot & Ankle Centers in Long Beach, California, he has extensive training in elective and reconstructive surgery, minimally invasive procedures, limb salvage and wound care, sports medicine, and trauma. More importantly, he always tries to provide conservative, non-invasive treatments before recommending surgery for his patients.

Growing up in Philadelphia, Pennsylvania, Dr. Jadali completed his undergraduate studies at the University of North Carolina at Chapel Hill. He then obtained his Doctor of Podiatric Medicine degree from New York College of Podiatric Medicine in New York City before completing a 3-year surgical residency at Saint Barnabas Medical Center in Livingston, New Jersey where he served as Chief Resident during the final year of his program.

Dr. Jadali is on staff at Long Beach Memorial Medical Center and also performs surgical procedures at the Surgery Center of Long Beach. He is active in training podiatric surgery residents and participates in community volunteer events.

Podiatry is a branch of medicine devoted to the study, diagnosis, and medical and surgical treatment of a variety of disorders of the foot, ankle, and lower extremities. A podiatrist, also known as a podiatric physician or a foot and ankle surgeon, is a medical professional devoted to the treatment of disorders of the foot, ankle, and lower extremities. They can treat injuries and complications from ongoing health issues like diabetes.

Currently living in Orange County with his wife, Dr. Jadali enjoys all different types of sports, as well as cooking and gardening.
