The advertisement features a central graphic with a large, stylized number '0'. The top half of the '0' is white and contains a collage of three photos: a couple in traditional Indian attire holding sparklers, a family of four, and a woman in a yellow sari. The bottom half of the '0' is black. To the left of the '0' is a white photo print of a couple with sparklers, with the text 'Print Unlimited' written in cursive below the photo. A red banner with white text 'DIWALI OFFER' is positioned below the photo print. To the right of the '0' is the text 'Per Print Only Rs.' in a large, bold, black font, with a small '90' below the 'Rs.'.

Pune, Maharashtra Oct 19, 2022 (Issuewire.com) - Memories are the most beautiful thing in everyone's life. Photo prints bring those moments back into our lives and are tangible and easily accessible. The newly launched app [Photolelo](#) helps you to rekindle your memories and mesmerize the favourite moments you spend in life.

[Photolelo](#) is a **FREE** photo online **printing app** and it only charges 6.90 Rs per print if there is no advertisement available in the region from where you ordered Photo prints.

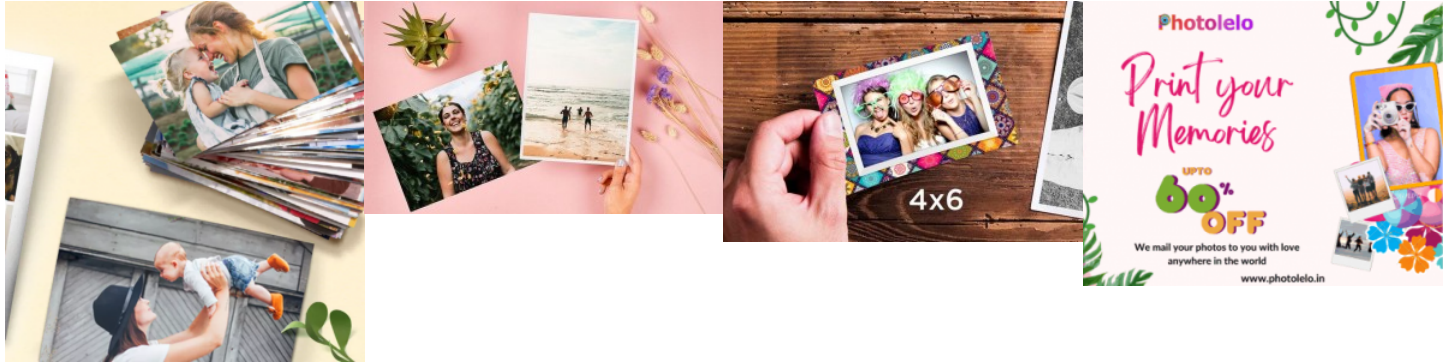

It's much cheaper compare to any other application on the play store.

Eg: snapfish, snapstore, vistaprint, walgreens, Zoomin etc.

This Diwali you can now gift photo prints to your loved ones for the time you spend together.
