

Shihtzu Exchange Universe Introducing SBONE for the Metaverse Finance!

Shihtzu Bone Token \$SBONE will play many special roles in the Shihtzu Exchange metaverse Finance Universe, here's the first one!

Bac Giang, Vietnam Nov 1, 2022 ([Issuewire.com](https://www.issuewire.com)) - The [Shihtzu Exchange](#) Universe is a friendly, and cute dog. Strong-willed and confident, it often has its own ideas about things and never shy away from creativity. Despite being loyal and affectionate with his family, Shihtzu often adventurous at the most convenient of times with everyone in history!

So, what exactly is SBONE Metaverse Finance?

For those just entering the Shihtzu exchange terminology, it is important to gather that it represents the fusion of the terms “meta”, “universe” and “Finance” made up of shared virtual spaces that form a perceived virtual reality setting. In the metaverse, there are seemingly infinite possibilities, yet encompassing one of the strongest communities ever gathered in all the crypto's history.

Shihtzu Bone Metaverse finance is positioned to become a massive environment for the #ShihtzuArmy to grow, share, and benefit together.

SBONE: The Metaverse Finance is the culmination of our history as a community, virtually displayed, in a layer of beautiful visuals that showcase our innovation and unity with a place to truly call home. The Shihtzu Exchange Universe will be used entirely by the STZU and the Shihtzu Bone Metaverse Finance platform, meaning all tokens \$STZU, \$SBONE, will play a role as phases roll out. It's important to understand this concept of the Universe as we evolve as a project and promote new releases.

The Shihtzu Exchange Universe will have a great deal of interaction, future choices, and creative ways to immerse itself in this environment.

The Shihtzu Exchange Universe development team working on Shihtzuswap and Shihtzu Bone platforms gravitate and create many great partnerships, and foundational resources for the community to explore, benefit from and interact with. The mission to deliver an exceptional product that incorporates these factors is crucial as we have gathered feedback from multiple groups, community orientation in Discord, and even those partnerships who will end up partaking in the project.

Shihtzu Bone's Official Website

We are proud to announce, that our Shihtzu Bone Metaverse Finance, and the future expansion of all of our current projects, will take place at our new and incredible domain: Sbone.io.

Sbone.io is set to become the main source for all things including our official website!

The new Shihtzu Bone portal will become active in the upcoming days, and the first phase of the SBONE Presale will start the future growth of its Metaverse finance.

This new Shihtzu Bone portal will be up and running in the next coming days, and in order for users to begin the process of locking their assets. Once this Free giveaway process is completed, the Sbone Pre-sale event should begin start shortly after the free giveaway ends. This is officially your last call before the first phase and events engaging with the Shihtzu Exchange universe.

Why Should We Purchase SBONE?

While our Shihtzu Exchange Universe (\$STZU) continues to grow, and evolve over time, this 2022 is aimed to be a year full of surprises with new implementations like Shihtzuswap, which will be the Layer 2 secure. the Shihtzu Exchange Universe is also going to open new investment opportunities through the system and the Shihtzu Exchange Universe team is currently developing that. But that's not all.

Purchasing SBONE on Shihtzu Bone Pre-Sale is not just an isolated investment, but a way to be a part of the short, mid, and long-term of the project. The benefits are cantered for the community to thrive and share a truly exceptional environment while being delivered a rewarding experience.

The Shihtzu Exchange team also introducing a unique, and exciting way to earn within the SBONE token, while also awarding users to have a personal space in which they will be able to build and manage their own Staking, Farming, Liquidity, and much more.

Shihtzu Bone Token \$SBONE will play many special roles in the Shihtzu Exchange metaverse Finance Universe, here's the first one!

The Shihtzu Exchange Metaverse Finance Universe is changing the shape of decentralized finance with the name "SBONE: The Metaverse Finance" which will not only cultivate a strong message that settles the identity of the Shihtzu Exchange Universe but also focuses on the core of our community values. When Shihtzu Exchange Tokens were launched and sold out in less than 1 Hour, that is one of the most exciting features was the ability to create an identity and label your ShihtzuArmy with a name customized to the holder's wish, all while using \$STZU and burning at the same time.

This will be no different for our Universe, as we will be introducing the first special role that Shihtzu Bone \$SBONE will play in Metaverse Finance. By welcoming a mechanic to burn \$SBONE independently, while renaming your STZU token, furthermore, this should start soon after SBONE Pre-sale events and public sales have ended.

Also, Shihtzu Exchange Utility meets #STZUIDENTITY and can reward STZU token holders with a good way to earn SBONE tokens, which is set to make such an exciting impact in the world of Shihtzu Exchange Metaverse Finance Universe.

So let's Stay tuned to what will happen next, we're ready to shock everyone with new features and ways to implant \$SBONE in areas that are set to bring sustained new heights to the digital asset world.
