

Sneha Manek, a teacher in Kolkata is leading with her digital marketing services

Sneha Manek, an aspiring teacher had changed her career during COVID and she is now a leading freelancer, dealing with national and International clients.

kolkata, West bengal Oct 12, 2022 ([Issuewire.com](https://www.issuewire.com)) - Sneha Manek is an aspiring science teacher from Kolkata, India. She has got around 7+ years of teaching experience in schools like Don Bosco School, Berhampore; Gitaram Academy, and Mary Immaculate School, Berhampore.

The teacher settled in Kolkata on 18th Jan 2020 and experienced a drastic setback in her career during COVID. Unemployment and lack of identity in a new city led her to step into the field of self-publishing. She learned a lot about self-publishing: editing, proof-reading, book cover designing, book formatting, etc. through YouTube videos and then planned to start her own services by creating her own website www.snehamanek.com

Later on, as she learned new skills related to web development, SEO, digital marketing, and media marketing; she started providing these services too.

Currently, she has got clients from worldwide, by working on 25+ projects, and started collaborating with people like [Supriya Karia](#) (a renowned teacher) to expand her reach.

She is also leading with her Live Online Tutorial Services, engaging with students across the globe. The teacher has handled 15+ projects via [Fiverr](#).

She thrives to be one of the leading digital marketers collaborating with companies like [Ghost Book Writers](#), [Sayoneyes](#), and other national & international Authors.

"Unemployment isn't a curse, choosing not to work is!", She quotes.

Delivered as promised!
I have dealt with various book promoters by now. I have never seen this level of professional work in other agencies. This agency provided me exactly what i wanted at cheaper cost without unnecessary jargon. 10/10 would do business with them again.
