

Spooktacular dash cam savings from THINKWARE

THINKWARE, is celebrating the Halloween season with exciting discounts on a number of its popular dash cam models.

London, United Kingdom Oct 20, 2022 ([Issuewire.com](https://www.issuewire.com)) - World-leading dash cam manufacturer, THINKWARE, is celebrating the Halloween season with exciting discounts on a number of its popular dash cam models.

THINKWARE's award-winning dash cams help make the roads safer by increasing driver awareness,

detering road rage incidents, and providing vital evidence for insurance claims.

Nobody can predict what will happen on the road, but with a THINKWARE dash cam, drivers will be covered come trick or treat.

The promotion will run between 20 and 31 and will see up to £80 off the recommended retail price.

Speaking about the promotion a THINKWARE representative said: "With the days getting shorter, weather worsening, and Halloween goblins and ghouls lining the streets, these discounts are a great opportunity to invest in road safety with a dash cam from our sought-after range. There's no better time to get a THINKWARE dash cam."

All products are available across the UK, with the discounts being exclusive to [Amazon Stores](#) and Individual Local Stores (Reseller Market).

Please see the discounted range below:

- **X800**

The X800 dash cam brings you 1440p QHD crisp footage on top of advanced features to keep your car protected at all times. These include Advanced Parking Mode, Timelapse Mode, and Energy Saving Mode to ensure your dash cam doesn't run out of juice. The 1CH model comes with a front camera and a 32GB SD card.

The 2CH model of the X800 has an additional rear camera for even more visibility while driving and when using advanced parking modes. With this model, the GPS antenna also comes included helping users accurately assess the details of the surrounding area, as well as providing precise location and speed data.

1CH REDUCED FROM £199.00 TO £139.00 2CH REDUCED FROM £249.00 TO £169.00

- **T700**

The T700 is THINKWARE's first 4G LTE-enabled dash cam powered by the Vodafone Smart SIM. It offers an expansive view of the road with 1080p Full HD resolution and a wide 140-degree field of view. Users can also benefit from the dash cam's Super Night Vision and a feature-packed Parking Mode that includes, Motion and Impact Detection, time-lapse recording, and Energy Saving Parking Recording to reduce energy consumption.

The 1CH model comes with a front camera and a 16GB SD card, while the 2CH version has all the features of the 1CH but with a rear camera and 32GB SD card. Both models are designed with intelligent user accessibility at the forefront and are compatible with the 'Connected Service' feature available via the THINKWARE Connected LTE smartphone app.

1CH REDUCED FROM £279.00 TO £249.00 2CH REDUCED FROM £349.00 TO £319.00

- **F200PRO**

The F200PRO brings you 1080p Full HD crystal clear footage and is packed full of advanced features. Keeping you and your car protected with its Advanced Parking Mode featuring Super Night Vision and

time-lapse technology, the dash cam is Wi-Fi enabled for easy connectivity with the THINKWARE app. The 1CH model comes with a front camera and a 16GB SD card.

The more advanced of the two F200PRO dash cams, the 2CH has all the same features as above with the additional benefits of an Advanced Driver Assistance System (ADAS), when using the GPS antenna, and access to the Cyclops Speed Camera Database with free-for-life updates. This model also comes with a front and rear camera, and a 32GB SD card.

1CH REDUCED FROM £129.00 TO £109.00 2CH REDUCED FROM £199.00 TO £169.00

- **Q800PRO**

The Q800PRO dash cam captures 2K QHD footage via the latest Sony Exmor R Starvis image sensor. Providing 4x more vivid videos of your journeys, even at night via the award-winning Super Night Vision 2.0 technology.

Packed full of advanced features such as built-in GPS, a Speed Camera Database, Advanced Parking mode with Energy saving mode, a Timelapse mode, and more. The Q800PRO is the perfect piece of tech for any driver. The 1CH model comes with a single front-facing camera and a 16GB sim card, while the 2CH model is equipped with a front and rear camera with a 32GB sim card.

The Q800 also gives you access to the Thinkware Cloud App, with features such as geo-fencing, vehicle locator, and Impact notifications further protecting your vehicle.

1CH REDUCED FROM £229.00 TO £189.00 2CH REDUCED FROM £299.00 TO £249.00

About THINKWARE

Global IT Corporation THINKWARE was founded in Korea in 1997.

Through consistent research and development in the field of smart car technologies, THINKWARE has established itself as the market leader in various sectors such as dash cams, electronic maps, navigation, and mobile applications. Spearheading the competition with world-class image processing technologies and dash cam intuitive, user-friendly interface, THINKWARE debuted in the US market in 2014. THINKWARE has confirmed it will be exporting its dash cam lines to 17 other countries including the US, Canada, the UK, and Japan.

THINKWARE has continued to astound the industry with its world-class dash cam lines during its presence at global exhibitions like CES, SEMA, and The Gadget Show Live. For CES 2017, the world's largest consumer electronics show, THINKWARE received the Innovation Award of the Year for excellence in technology and design. The company has also received the IF Design Award and IDEA Award, as well as the Red Dot Design Award.
