

Tetherum-T99 Going To Be Moon Soon

Tetherum Token, Swap & Exchange

New Delhi, Delhi Oct 15, 2022 ([Issuewire.com](https://www.issuewire.com)) - About Tetherum:

T99 is the Native Token for Tetherum Exchange which also gives holders power to govern the Tetherum project. Tetherum DEX is a decentralized exchange with Automated Market Maker, native to Binance Smart Chain. It shares some similar Tools like established platforms SushiSwap or Pancakeswap, using which users can swap their coins for other coins without the input of any

middleman Service provider. The main Feature of Tetherum Is that it focuses on BEP20 tokens – a specific token standard developed by Binance.
