Several packages are available on the official website of the tunes club from where the clients can choose the most suitable one. The company has collaborated with the top music promotion companies over the years and has a team of professionals who are experienced in the field. Leaving the promotion and marketing in their hands means there is a guarantee to achieve a vast number of listens and reach on the online music streaming platform. The first package is named '**Spotify Marketing Package**' which offers the tracks to be added to **over 60 curated playlists** and will get the clients around **3000-3500 listeners** and only one track can be added to this package. **The price is set at \$39 on which the clients will be getting a flat 10% discount from 8th October.**

There are a total of 4 promotional packages that the company avails for the clients and the second

one is called the '**Spotify Promotion Pack**'. After a 10% discount, priced at \$63, the package offers the client to add 2 tracks to over 90+ curated Spotify playlists. With a guarantee for over 7000-7500 listeners, it also provides a paid press release distribution with this package. The organic **Spotify Music Promotion** will most definitely get aspiring artists to reach the target audience more easily.

The third and fourth packages respectively called, '**Spotify Marketing Pro Pack**', and '**Spotify Promotion Pro Pack**' are priced at \$96 and \$155 during this offer period. The clients can add 3 and 4 tracks to over 120+ and 180+ curated Spotify playlists which guarantees up to 10,000-11,000 listeners and 14,000-15,000 listeners.

These promotional campaigns will not only add tracks to the curated playlists but also offer online engagement for the artists. The organic **Spotify Music Promotion** will allow the tracks to grow organically and efficiently and does social media promotions through paid press release distributions, music blogs, and artist interviews. The team of professionals at the Tunes Club targets the audience according to the track so the chances of the track reaching the right audience are much higher.

The website is currently offering weekly recurring which has reduced the price of the packages and on top of that, the **Universal Music Day sale of a flat 10%** will make the deal even more alluring and affordable. The sale starts on the **8th of October and ends on the 17th** so grab this deal when there is time to maximize your online reach and give your career the push it deserves.
