

Veni University USA Partners with MIT Square London

London, United Kingdom Oct 10, 2022 ([Issuewire.com](https://www.issuewire.com)) - Veni University, USA signed an MoU with MIT Square, London early this year to provide a platform to the students & researchers to be a part of their Future School that involves Master's and Doctorate programs.

MIT Square recently launched the RAISE Centre of Excellence at Veni to empower students worldwide through job opportunities, internships, training programs, exchange programs, scholarships, fellowships, and many more. RAISE is a platform that powers Research, Applications, Innovation, Science & Technology, and Entrepreneurship. The centre of excellence also focuses on international conferences, journals, publications, patents, and funding.

Dr. Acilina Candeia (CEO) and Dr. Amanda Micheline Amador De Lucena (Dean) of Veni University, received Women Education Leader of the Year on International Women's Day 2022, organised by WE RAISE, an initiative of MIT Square Group's, Raj Square Charity Foundation. The charitable trust focuses on women's empowerment and enablement worldwide.

The women leaders from Veni University visited London to discuss the collaboration of expanding Veni University across the globe and supporting less privileged women. Dr. Mithileysh Sathiyarayanan, Founder & CEO of MIT Square has promised to help students and faculty members with the Indo-Global Exchange programs, Doctoral Fellowships, Post Doctoral Fellowships, and other innovative development programs to benefit the community.
