New York City, New York Oct 31, 2022 ([Issuewire.com](https://www.issuewire.com)) - Yanet is a family nurse practitioner currently serving her patients at ProMedica located in Naples, Florida.

To begin her career, she earned her nursing degree from Miami Regional University in 2021.

To remain up to date in her field, Yanet is a professional member of the American Association of Nurse Practitioners and the American Nurses Association. She attributes her success to having love and compassion to take care of her patients to ensure safety and improvement for an overall better quality of life.

A Family Nurse Practitioner (FNP) is an advanced practice registered nurse who works autonomously or in collaboration with other healthcare professionals, to deliver family-focused care. Given the rather broad nature of the “family” patient population focus, FNPs offer a wide range of healthcare services that revolve around the family unit; from health promotion and disease prevention to direct care and counseling across the lifespan.
