

2X Grammy Nominated Music Composer Mike Walla Hits The International Charts

Virginia Beach, Virginia Nov 2, 2022 ([Issuewire.com](https://www.issuewire.com)) - Mike Walla's single "Surfboard" is currently charting on the major Independent Charts and the European Charts. Mike Walla wrote and composed on legends Gladys Knight, Mary J Blige, Guy, Teddy Riley, Blackstreet, and many more. The Virginia Beach-raised artist Mike Walla went to Princess Anne high school with Pharrell Williams and many more major musicians from Virginia.

Michael "Walla" Woolard has an unusual breakthrough sound some would even call odd. His style of music is eclectic and futuristic. He definitely has an agenda to change the way music is heard. Walla got an early start in the music industry under the direction of music legend Teddy Riley. Some of the biggest artists and producers have come out of Virginia like Timbaland, Missy Elliot, Chris Brown, Pharrell, and the Neptunes. Mike Walla is one of the newest sounds from Virginia. You will not see or hear anything like his sound. Every once in a while a new sound comes along that is fresh and innovative. "Mike Walla" is that sound that sparks the human spirit and causes a movement.
