

After Halloween Sales: Spooktacular 60% OFF Leawo Ultimate Blu-ray Toolkit for All-in-One Blu-ray Solutions

While Halloween has just passed, the sale is still on the swing. Leawo Software is offering their Ultimate Blu-ray Toolkit with 60% discount for Blu-ray decryption, ripping, conversion, backup, burning and protection removal.

Shenzhen, Guangdong Nov 2, 2022 ([Issuewire.com](https://www.issuewire.com)) - Seasonal promotions give consumers an extra boost to buy or, at the very least, browse deals. During special events or holidays, people tend to be more relaxed and purchase more. That means retailers and online sellers will be pulling out all the stops. While Halloween is over, the sale will still be on for a while. Leawo Software, a leading developer and supplier specializing in multimedia solutions and data management software, is hosting its [2022 Halloween Free Giveaway & 70% OFF Specials](#) online sale. At the event, people can get up to 70% off multimedia solution software, 30% off site-wide coupons, and a \$29.95 worth of DVD Creator freebies. This activity will last until Nov. 10, 2022.

If you have a soft spot for Blu-ray, then Leawo Ultimate Blu-ray Toolkit is just for you. This is a 4-in-1 Blu-ray solution package to decrypt, rip, and convert Blu-ray DVD to video/audio files in various formats, burn photo/video files to Blu-ray/DVD, copy and back up Blu-ray/DVD, remove Cinavia protection, and more. During the Leawo Halloween sale, this bundle is 60% off, saving \$221.97. Also, there is a 40% discount on every product for people who just want to buy a single item. Below are separate introductions to each product.

- [Leawo Blu-ray Ripper](#) – This software is designed for ripping and converting Blu-ray/DVD to various video formats, including MP4, MKV, AVI, and other 180+ formats. Also, it can extract audio content from source Blu-ray/DVD to various audio formats. With a built-in Blu-ray editor, it allows users to trim video length, add watermark, crop video size, apply effects, and even convert 2D to 3D movies.
- [Leawo Blu-ray Copy](#) – As the counterpart of Blu-ray Ripper in the physical disc field, this

software can copy and back up Blu-ray/DVD content to a hard drive as an ISO image file or folder, and even another blank disc. As a powerful Blu-ray copier, it can compress Blu-ray content between BD100, BD66, BD50, BD25, DVD-9, and DVD-5. It has 3 copy ways: Full Movie, Main Movie, and Custom Mode for different purposes.

- [Leawo Blu-ray Creator](#) – Also known as Blu-ray burner, this software is an all-inclusive Blu-ray/DVD burner for video, audio, and photo slideshow to Blu-ray/DVD. Like Blu-ray Ripper, it also supports over 180 formats like MP4, AVI, MKV, FLV, WMV, etc. In addition, it is capable of creating 3D movies from source 2D movies, and then burning them to Blu-ray/DVD. For photo slideshow, it even has a disc menu.
- [Leawo Blu-ray Cinavia Removal](#) – Like AACs, BD+, and MKB, Cinavia is another type of movie protection technology. But with this software, users can easily remove the Cinavia watermark and obtain the right to decrypt and copy Blu-ray movies at will. At the same time, it can remove AACs, BD+, and MKB protections. After removal, users can get a 1:1 copy of the original Blu-ray movie without protection.

For those who enjoy streaming, Leawo also has a special 50% discount on [CleverGet Video Downloader](#) for them. For just \$39.97, people can download up to 8K videos from over 1000 sites, including YouTube, Facebook, Twitter, Vimeo, Instagram, TikTok, etc. Video types range from on-demand videos like movies, TV shows, music videos, and video clips to live-stream videos. All downloads can be saved as MP4, MKV, or WebM files without quality loss. Also, if people want to download videos from paid platforms, then they can turn to other modules like Amazon Downloader, Netflix Downloader, HBO Downloader, Hulu Downloader, etc. And, these modules are also 50% off.
