

Big Willie B: A Name In Music You Want To Know

Los Angeles, California Nov 3, 2022 ([Issuewire.com](https://www.issuewire.com)) - Big Willie B is an on the rise recording artist ready to make his mark in mainstream media. Growing up he always knew he had a talent, it was just figuring out what it was and capitalizing on it. Music was that. Once people finally listened to his content and what he had to say it pushed him to do music more as a career and not as a side hobby. Being from Tennessee has given him a staple sound. His sound is smooth, firm, real, gritty, and authentic.

When creating music he writes what's meaningful and brings clarity to life situations and turns them into stories. He states "I'm bringing visions that remind us of the past and future. No matter what happens, life is real".

Right now his focus is his latest single "It's Going Down Tonight" which is out on all platforms now. The next single is "Fast Lane" featuring Ace Lex which will not be released until mid-November. This song is an R&B smash hit. An album is also in the works "Evolution Of A King". A 14-track album with a bunch of versatile records to showcase his diversity. 2023 is gonna be a busy year. Keep up with Big Wille B and all of his new content.
