

Black Friday & Cyber Monday Deals – 70% OFF Leawo All-in-1 Bundle for All Multimedia Solutions

While Black Friday is hours away, Leawo Software is offering a 70% discount on their All-in-One bundle on Leawo's 2022 Black Friday online sales. This activity is valid before Dec. 15, 2022.

Shenzhen, Guangdong Nov 24, 2022 (Issuewire.com) - Every year seems to pass faster than the last. Just yesterday, people were on the beach with cold beers on a hot sunny day. In a blink of an eye, 2022 has begun to draw to a close. For many people, this is their favorite holiday of the year. While the official discounts are still hours away, many retailers have already started offering discounts across their sites. Whether people want to get a head start on their holiday shopping list for a loved one or just want to treat themselves to a few purchases, Leawo Software has it covered. As a leading developer and supplier focusing on multimedia solutions and data management software, Leawo Software is offering an All-in-1 bundle for all 4K Blu-ray, Blu-ray, DVD, video, photo, and audio solutions at a 70% discount on their [2022 Thanksgiving & Black Friday Sales](#). Until Dec. 15, 2022, shoppers can save \$391.8 on this bundle. As a 22-in-1 package, it contains:

- [Media 11](#) – This suite integrates 10 programs into 1, including Video Converter, UHD Ripper, UHD Copy, Blu-ray Ripper, Blu-ray Copy, Blu-ray Creator, Blu-ray Cinavia Removal, DVD Ripper, DVD Copy, and DVD Creator. In addition to the functions these program names suggest, this suite can also be used as a photo slideshow maker, video editor, 3D movie maker, and more.
- [DRM](#) – Consisting of Prof. DRM Video Converter, Prof. DRM Audiobook Converter, Prof. DRM Music Converter, Prof. DRM Spotify Converter, and Prof. DRM eBook Converter, this tool can convert DRM-locked iTunes movies, TV shows, audiobooks and music, Spotify music, eBooks in Kindle, Kobo, and Adobe, as well as Audible audiobooks to DRM-free files.

- [PhotoIns](#) – As a 3-in-1 AI photo editor, this software includes Photo Enhancer, Photo BG Remover, and Photo Enlarger, which is able to enhance photo quality, fix photography issues, remove, change and edit photo background, increase image resolution up to 40x without quality loss, and more. Driven by advanced AI technology and a smart algorithm, all photos can be processed in batches automatically.
- [CleverGet Video Downloader](#) - As a product of the streaming era, this software can download up to 8K videos, movies, TV shows, live stream videos, music videos, video clips, etc. from 1000+ websites, like YouTube, Facebook, Twitter, Vimeo, Instagram, and more. All downloads can be saved as MP4, MKV, or WebM files without quality loss. Plus, it supports playlists to download and batch download.
- [UHD Drive Tool](#) – This software enables users to downgrade UHD-unfriendly firmware on Blu-ray drive to a compatible version so that users can rip, copy and play 4K UHD Blu-ray.
- **iTransfer** – As the best iTunes alternative, iTransfer provides a perfect solution for iPhone, iPad, and iPod transfers. It supports file types like photos, music, video, SMS, contact, etc.
- **Music Recorder** – This is an easy-to-use music recording software, which enables users to record music from any input devices, system audio, and online music, and then save it in MP3 or WAV format.
- **Tunes Cleaner** – Being the best iTunes cleanup software, Tunes Cleaner can smartly clean up the iTunes library, detect and delete duplicates, and manually edit music tags. Also, it supports other music libraries.
