Black Friday dash cam savings from THINKWARE

World-leading dash cam manufacturer, THINKWARE, today announces Black Friday discounts across a number of its popular dash cam models.

London, United Kingdom Nov 20, 2022 (Issuewire.com) - World-leading dash cam manufacturer, THINKWARE, today announces Black Friday discounts across a number of its popular dash cam models.

The promotion will run between 23 and 30 and will see up to £70 off the recommended retail price. Models in the promotion include the:

- **U1000 – up to £50 off RRP**
  - The flagship U1000 dash cam captures 4K UHD forward-facing footage and 2K QHD rear footage. It is also packed full of advanced features such as the award-winning Super Night Vision 2.0, built-in GPS, Speed Camera Database, Advanced Parking Mode, Timelapse mode, and Energy Saving Mode to keep you protected longer.

- **T700 - up to £30 off RRP**
  - The T700 is THINKWARE's first 4G LTE-enabled dash cam powered by the Vodafone Smart SIM. It offers an expansive view of the road with 1080p Full HD resolution and a wide 140-degree field of view. Users can also benefit from the dash cam's Super Night Vision and a feature-packed Parking Mode that includes, Motion and Impact Detection, time-lapse recording, and Energy Saving Parking Recording to reduce energy consumption.
  - This model was designed with intelligent user accessibility at the forefront and is compatible with the 'Connected Service' feature available via the THINKWARE Connected LTE smartphone app.

- **F800 PRO - up to £70 off RRP**
  - The F800 PRO dash cam records crisp, clear 1080p Full HD footage, with its award-winning Super Night Vision 2.0 technology keeping footage quality high, even after dark. Full of extra features such as Advanced Parking mode with Energy Saving and time-lapse technology, to keep you protected longer, the dash cam also has built-in GPS giving you access to multiple helpful aspects such as the speed camera database.

- **X1000 - up to £70 off RRP**
  - The X1000 dash cam comes with the highest quality 2K QHD footage via the latest Sony Starvis image sensor. With the new HDR system and Super Night Vision 3.0, this camera provides the very best videos of your journeys no matter the time of day. It also benefits from Advanced Parking Mode, Timelapse Mode, and Energy Saving Mode to help keep your car always protected

- **F200 - up to £40 off RRP**
  - The F200 dash cam brings you crystal clear 1080p Full HD footage in a sleek and discrete design at an affordable price. Packed with additional features such as an Advanced Parking Mode, G-Sensor, and motion detection, the dash cam is also Wi-Fi Enabled with access to the Cyclops Speed Camera Database and free life Updates.
  - This model is also the perfect solution for the tech-savvy driver offering an affordable secondary camera option, with an internal rear-view camera and an infrared internal camera. The F200 is ideal for those who require a specialised custom setup.
  - The X700, F100, and M1 models are also included in the sale.

Speaking about the promotion a THINKWARE representative said: "As the darker nights draw in, road safety will be front of mind for many. THINKWARE's award-winning dash cams help make the roads safer by increasing driver awareness, deterring road rage incidents, and providing vital evidence for insurance claims. These Black Friday sales discounts are a great opportunity to invest in road safety with a model from our popular range."

All products are available across the UK, with the discounts being exclusive to Amazon Stores and Individual Local Stores (Reseller Market).

Nobody can predict what will happen on the road, but with a THINKWARE dash cam, drivers will be covered from Black Friday and beyond

About THINKWARE

Global IT Corporation THINKWARE was founded in Korea in 1997.

Through consistent research and development in the field of smart car technologies, THINKWARE has established itself as the market leader in various sectors such as dash cams, electronic maps, navigation, and mobile applications.

Spearheading the competition with world-class image processing technologies and dash cam intuitive, user-friendly interface, THINKWARE debuted in the US market in 2014. THINKWARE has confirmed it will be exporting its dash cam lines to 17 other countries including the US, Canada, the UK, and Japan.

THINKWARE has continued to astound the industry with its world-class dash cam lines during its presence at global exhibitions like CES, SEMA, and The Gadget Show Live. For CES 2017, the world's largest consumer electronics show, THINKWARE received the Innovation Award of the Year for excellence in technology and design. The company has also received the IF Design Award and IDEA Award, as well as the Red Dot Design Award.
