

Collegebrowser.com Ventures into the Education Classifieds Space

Bengaluru, Karnataka Nov 22, 2022 ([IssueWire.com](https://www.issuewire.com)) - Collegebrowser.com has announced the launch of its website today and aims to be one of the top Education Classifieds portals in India. It has been incubated by Pragatiinfocom Pvt Ltd, a Digital communication company in Bangalore, India. Currently, we have information on 2000 colleges and universities Across India and would be able to cover 10000 by the end of the year. We have a team of 15 people with the sole purpose of providing

high-quality content on Cut Offs, Placements, Admission, Festivals, and even minute details such as Course Intake, Fees Reservation, etc.”

The website currently shows colleges from Management, Engineering, and Medical streams, science, and commerce streams. For More Information, [visit – https://www.collegebrowser.com/](https://www.collegebrowser.com/)
