He continued to be an Rapper/artist until 2019 and since then he has been focusing on his career as a rapper/singer. Dage Hareqz is currently a freelance artist from Tagum City,

Nagoya Gifu, Japan. What can we expect from Dage Hareqz? More Rnb and Motivational music you can vibe with. "I make songs to be heard not only by the ear but also by the heart and soul,

What is your point of view on the evolution of hip hop culture in recent years?

The evolution of hiphop is inevitable; only those who adopt certain changes survive. In my opinion, today's hiphop is more about the mood of the music than the lyrics themselves.

The final word

ONE LOVE and stay healthy lifestyle!
