Leadbetter's Sportsworld business acumen and global network will support the expanding online leader in sports instruction.

"David Leadbetter's presence on our advisory board in addition to placing a leading marquee name there, brings to SportsEdTV, yet another milestone in our growth story," said Robert Mazzucchelli, Co-Founder, and Chairman of the sports instruction ecosystem.

In addition to coaching some of contemporary golf's big-name champions, including Nick Faldo, Ernie Els, Lydia Ko, Seri Pak, Nick Price, Michelle Wie, and Suzanne Pettersen, Leadbetter is also known for his leading-edge innovation in the sport and business.

"David has 35 worldwide golf academies and four years ago he merged with GolfZon the world's largest golf simulator company with plans to open multiple indoor facilities nationwide under the name GolfZon Leadbetter," added Victor Bergonzoli, CEO of SportsEdTV

David Leadbetter's books have sold two million copies making him one of the best-selling golf instruction authors in the world.

"Important to our core values is how David Leadbetter has found the heart to develop Leadbetter Kids, an experiential learning environment where children learn physical, mental, and social skills subconsciously by using golf to replicate life situations and interactions with other children and adults," responded Roberto Borgatti, SportsEdTV Director of Golf.

We do expect people who use our educational resources to become their champions, by whatever definition they view success in their chosen sport.
